Information Technology Committee
Agenda

Date: Friday, April 15th, 2022
Start/End Time: 10:00 AM – 11:00 AM
Location: Microsoft Teams

Agenda Item	
1) Announcements	Joe Salmons
2) Cybersecurity and Endpoint Updates	Jeff Savoy
3) Coalition building ideas in support of UW–Madison Strategic Priorities For Information Technology Priority #3: "Advance Research Computing And Data Science To Accelerate The Pace Of Research And Innovation." What does a successful coalition look like? What is the opportunity space on campus? What would a coalition advocate for? How would a coalition build a community around this priority? How could a coalition break down silos between groups?	Todd Shechter
4) New Business	Joe Salmons

Next Meeting:
Date: May 20th, 2022
Location: Microsoft Teams

The University of Wisconsin Information Technology Committee (ITC) is the shared governance advisory body, composed for faculty, academic staff, and students for information technology policy and planning throughout the University.

Our responsibilities include to: Recommend strategic plans for University IT resources, review IT performance, receive reports from and provide general direction to committees, monitor technical developments, consult with and advise administrative offices on IT budget matters, receive and make recommendations to establish, abolish or merge IT services.
