Friday, May 21st, 2021 – Location: Microsoft Teams

The University of Wisconsin Information Technology Committee (ITC) is the shared governance advisory body, composed for faculty, academic staff, and students for information technology policy and planning throughout the University.

Our responsibilities include to: Recommend strategic plans for University IT resources, review IT performance, receive reports from and provide general direction to committees, monitor technical developments, consult with and advise administrative offices on IT budget matters, receive and make recommendations to establish, abolish or merge IT services.
