

Sustainable Student Digital Ecosystem

Status

- D2L license ends June 2016
 - Extend for a year or two in any scenario
- Piloted Canvas for 1 year going on 2: favorable
- I used Canvas in my own course : favorable
- Students want 1 LMS and campus can afford 1 LMS (can't afford 3 in an interconnected ecosystem)

Status

On-line and other programs ramping up. We need a clear direction for the future.

- SPMH new MD curriculum – August 16
- Summer term - now
- Online courses - now

Canvas

- Most Unizin schools are switching to Canvas
 - Typical transition is 12 to 24 months
 - We have fallen behind
- Canvas now in ~650 institutions, 350 have joined in the last 24 months
 - UC-Berkeley
 - Northwestern
 - UT-Austin
 - Carnegie-Mellon
 - Harvard
 - Ohio State
 - U. of Florida
 - U. of Michigan
 - Penn State
 - Indiana U and Others

- Next year, we will pay the full licensing cost of Canvas and D2L
- We are pursuing a plan to fully integrate Canvas into the student digital ecosystem to allow expanded use
- Proposed Resolution: Intent to transition to Canvas and sunset D2L and Moodle in 24 months (beginning July 1, 2016)
