Security Education Staff and Student Training

MTAG - 3/15/16

Training Initiative (current plans)

- UW-Mad **IT Security Staff** – April 2016
- Student Training – August 2016 (aligns with AlcoholEdu and Tonight roll out)
- **All other UW-Mad Staff** – October 2016
- Fac/Researchers – future date TBD

Staff Training

- **IT Staff Training** – Launch 4/15/16
- **All other Staff** – Launch 10/16

- 30-45 min training (video scenarios, reading, & quiz)
  - Working with MIST to identify a security coordinator for enrollment
  - Pilot available 3/21 – 3/28 w/ opportunity to provide feedback (MIST and MTAG)
  - Working on a Protection of Sensitive Information policy for all campus (WIP)

https://uwmad.courses.wisconsin.edu/d2l/home/3302824

Student Training

- View Prototype
  - Auto-enroll all incoming freshmen/new transfers
  - Launched @ SOAR w/ info sessions for parents & students
  - Video awareness training w/ actionable links
  - Eventually tied to registration hold – if not complete by Oct/Nov, cannot register for Spring classes

Why Does Training Matter?

“People cannot value security without first understanding how much is at risk...”

--White House Cyberspace Policy Review June 2009
