

PI Portal

Office of the Vice Chancellor
for Research and Graduate Education
UNIVERSITY OF WISCONSIN-MADISON

Your dashboard and on-ramp for research administration and compliance
my.research.wisc.edu

What is it?

- Dashboard of your personalized research administration, compliance, and training information
- On-ramp to the tools you need – with direct links to your records
- Quick reference guide

The portal helps you *save time*:

- Find the information you need
- Figure out what you need to do
- Efficiently get it done

No more logging into multiple systems – everything is in one place.

What can I do with it?

Access your:

- Awards and grant proposals
- Effort statements and effort commitments
- Protocols: human subjects, animal care and use, biosafety, stem cell
- Confidential disclosure agreements
- Material transfer agreements
- Outside activity reports
- COI management plans

See info about your:

- Training course completions
- Project staff and their training info
- Alerts and notifications

Get the basics about:

- Chemical and radiation safety
- Export controls
- HIPAA
- Responsible conduct of research

Who can use it?

The portal is for principal investigators. A PI can delegate viewing rights to anyone with a NetID; e.g., you might authorize a lab manager to see what you see. Research admins you work with will already have viewing rights.

The screenshot shows the PI Portal interface. At the top, there are navigation tabs: "My Information", "My Notes", and "Resources". Below this is the header "WISCONSIN UNIVERSITY OF WISCONSIN-MADISON PI Portal Beta Office of the Vice Chancellor for Research and Graduate Education". A sidebar menu on the left lists various categories: Home, People, Training, FINANCIALS (Proposals, Projects, Effort), PROTOCOLS & SAFETY (Human Subjects Research, Animal Research, Stem Cell Research, Biological Safety, Chemical Safety, Radiation Safety), ETHICS & PRIVACY (Responsible Conduct of Research, HIPAA), NON-FINANCIAL AGREEMENTS (CDAs, MTAs), and CONFLICT OF INTEREST (Outside Activities). The main content area is titled "Projects - Pamela's Information" and shows "My extramural sponsored projects (6)". A dropdown menu is set to "Show 10 entries". A table lists the projects with columns for Start Date, End Date, Title, Sponsor, Fund, Project ID, and Award ID. A box labeled "Links to external systems" points to the Project ID and Award ID columns. At the bottom, it says "Showing 1 to 6 of 6 entries".
