

Your Logo  
Goes Here

Your Title Should Go Here (and It Should Fit on One Line)

Name and Institution  
Contact Information

## Introduction

Who are you?  
What do you do?  
Why are you here?

## Main Content Box

Fill this with the most important things, since your audience's eyes will be drawn to this middle box.

Use pictures! We all like pictures!

Feel free to make this section into smaller boxes as needed.

## Other Content Box 2

Fill this with fun things too!

Feel free to adjust the size of this box based on the size of the box below

You can also make this into 2 boxes if needed!

NOTE: When using a template, you always want to customize it to your organization and topic. If you don't adjust the colors, font, box sizes, etc., then your poster will look exactly like everyone else's who didn't customize it. 😊

## Other Content Box 1

Fill this with fun things!

Feel free to adjust the size of this box based on the size of the box above!

You can also make this into 2 boxes if needed!

## References/Resources

People often use this box to put "footnotes" or "endnotes"

It can also be used to get your audience to take action (learn more, etc.)

It can also be where you put additional partner organization logos
